  2. If you choose to participate as a team (consisting of 2 persons), both candidates of participant must register according to the steps.
  3. Click 'Sign Up'. You will then be directed to the registration page.
  4. Fill the registration form.
  5. Your account is successfully created.
  6. Log in to your account in 'Sign In' menu. Enter your e-mail and password.
  7. Fill in your profile ID. Click 'submit'.
  8. Choose the competition you will join (participants can join more than one competition), then click "Register Now"
  9. Do the payment according to the instructions on the confirmation page.  
The registration fee is
    - For 1-Work Package : IDR 80,000
    - For 2-Works Package : IDR 130,000
- to account number 0595-01-036061-50-6 (BRI, under the name of Krisna Aulia) in the specified payment period.
10. Upload the payment receipt on provided page, and email it to **sic.statistikaria14@gmail.com** as well.
  11. Text 081290411160 (Dhery S.) to confirm the registration and payment, using the format SIC\_(Name of Participant 1)\_(Name of Participant 2)\_(Payment Date)\_(Payment Time). Example : SIC\_Dhery S\_Indah Azhari\_July 10<sup>th</sup> 2019\_10.18 WIB
  12. You will receive your participant ID, which will be sent via email from **sic.statistikaria14@gmail.com** by the committee.
  13. If you haven't received the email within 2 days, please contact Abdullah Fadly (0895332524925)
  14. On the website, enter your participant ID to your Dashboard page, then click join. If you join this competition as a team, your partner should enter the same participant ID. Both participants will automatically be enrolled as one team.
  15. Congratulations, you are registered as an SIC participant (Statistics Infographics Competition) in The 14<sup>th</sup> Statistika Ria!

## **TERMS AND CONDITIONS**

1. Participants are active diploma and/or undergraduate students of Southeast Asian university.
2. Participants may enroll as a solo participant or as a two-membered team.
3. Participants enrolling as a team should come from the same university.
4. Participants should be healthy, both physically and mentally.

## **GENERAL RULES AND SANCTION**

1. Participants may only submit original works. Plagiarism is strictly forbidden. If the participant violates the rule, then the participant will be disqualified.
2. Submitted works should never have been published nor included in other competitions. If the participant violates the rule, then their work will not be accepted.
3. Participants shall register for one team in one competition. The participants are allowed to register to another competitions (E.g.: KSN, SEC).
4. Participants are allowed to sent two infographics for two different sub topics.
5. The poster will be owned by Statistika Ria and Statistika Ria has rights to publish the poster.
6. The decision of the judges shall be absolute and inviolable.

## PRELIMINARY STAGE TECHNICAL GUIDE

1. Download the poster footer on the website [www.statistikaria.com](http://www.statistikaria.com)
2. Create works in the form of A3-sized .PNG files and name them by the format: *(Participant's ID)\_(Work 1 or 2)*, e.g.: SR1403002\_Work 2
3. Describe your work in a few paragraphs. The template for the description can be downloaded on your Dashboard. Save it as a PDF file and name it following the format: *Description\_(Participant's ID)\_(Work 1 or 2)*, e.g.: Description\_SR1403002\_Work 1
4. Save your works and their corresponding descriptions in .RAR file, and name it by the format: SIC\_(Participant' ID), e.g.: SIC\_SR1403002
5. Upload the file to your SIC Dashboard.
6. Confirm that they have submitted the work from the committee via SMS with format Submitted\_(Participant's ID)\_(Participant 1's Name)\_(Participant 2's Name)\_(University) to 083819517508 (Indah A.) or 089506480487 (Dhery S.). Example: Submitted\_SR1403002\_Dhery Setiawan\_Indah Azhari\_IPB University.
7. The file received is the work file that was last sent
8. Submissions made not in the determined period (1<sup>th</sup> July at 00.00 WIB – 5<sup>th</sup> September 2019 at 23:59 WIB (GMT + 7)) will be subjected to sanctions.
9. The committee will send a notification of work receipt via **[sic.statistikaria14@gmail.com](mailto:sic.statistikaria14@gmail.com)**.
10. In the case of two or more participants with the same total score, the ranking will be based on the time of delivery of the work.
11. Top five participants will be announced at September 29<sup>th</sup> 2019, and will be contacted by the committee via e-mail regarding their upcoming participation in the final round that will be held in IPB University.

## RULES AND SANCTIONS

1. Participants should only obtain data from valid and accountable sources.
2. Specifications of submissions:
  - a. Submitted work is an A3 sized poster with a PNG extension, a minimum resolution of 300DPI, and a maximum file size of 20 MB.
  - b. Works use English and are based on cases that correspond to the topic determined by the committee. Non-English submissions will have their score reduced by 10%.
  - c. Works cannot contain elements of hate speech towards certain ethnicity, race, religion, nor inter-groups; pornography, and things that are contrary to the norms and regulations applied in the society.
  - d. Submitted works should include its brief title, participant numbers, and data sources.
  - e. Submitted works must use provided poster footer that can be downloaded in their respective accounts. Works that do not use provided footer will not be checked.
3. Specifications of work description:
  - a. The description of the work should be written as comprehensibly as possible.
  - b. The description should be written in provided A4-sized template— which can be downloaded on Statistika Ria official website ([www.statistikaria.com](http://www.statistikaria.com)); typed in Times New Roman font type; letter size 12pt; line spacing 1.15; justify-aligned; left margin 4 cm and right margin, top, and bottom 3 cm.
  - c. The description should be no more than one-page long, containing at least 150 words in it.
  - d. The title of the work and the participant number should be included in it.
  - e. Description file should then be saved as a PDF file
4. Sanctions in the form of score reduction is given to late submissions by the following proportions:
  - a. A delay of less than 10 minutes will reduce the score of the work by 10 pt, i.e.: a submission made at 00.09 WIB with the score of 100 will have its score reduced by 10 — resulting in 90.

- b. A 10-20 minute delay will reduce the score of the work by 20 pt, i.e.: a submission made at 00.16 WIB with the score of 100 will have its score reduced by 20 — resulting in 80.
  - c. A 20-30 minute delay will reduce the value of the work by 30 pt, i.e.: a submission made at 00.24 WIB with the score of 100 will have its score reduced by 30 — resulting in 70.
  - d. Submissions made more than 30 minutes after the deadline will not be accepted.
5. Should two works of a participant (be it a team participant or solo participant) are included in the top five highest score, only higher-valued work is entitled to go to the final stage.
6. Assessments are made based on the following aspects:
  - a. The suitability of the case with the topic 25%
  - b. Works' visual aspect 25%
  - c. The works' ability to convey information 35%
  - d. The uniqueness of the work 15%

## **FINAL STAGE TECHNICAL GUIDE**

1. The final stage is joined by five (5) participants/teams who have passed the preliminary stage.
2. The final stage will be held in IPB University on October 26<sup>th</sup> to October 27<sup>th</sup> 2019.
3. The final stage consists of two sessions; an 8-minute presentation session in front of the judges, and a Q&A session with the judges which will last for 8 minutes.
4. The work will be presented using a powerpoint file.
5. The final score is obtained from the accumulated from 70% of the Final Stage score and 30% of the Preliminary score
6. If two or more participants get the same final score, the ranking will then be based on the score of the Final stage.

## **RULES AND SANCTIONS**

1. Participants are required to submit the presentation slides in a powerpoint file in flashdrive by October 25<sup>th</sup> 2019 before technical meeting (subject format: PRESENTATION\_ Participant's ID\_University).
2. Should there be any additional contents (fonts, videos, sounds etc.), combine them with the presentation slide in a .ZIP or .RAR file, with a maximum size of 20 MB. Please don't embed the additional contents into your presentation slides.
3. Participants are required to dress formally, wearing their almamater jacket, no sandals allowed. Participants who violates this rule are not allowed to do their presentation.
4. Participants must arrive in the presentation room 15 minutes before the competition begins.
5. Participants are required to bring their student IDs. If participants not bring their student IDs, they are not allowed to do their presentation.

6. Participants who are unable to attend the final stage for any reason may not be represented by other participants. If the participants violates the rule, every participant from the university concerned will be disqualified from the competition.
7. Participants are not allowed to bring notes of any kind during the presentation. Participants who bring any kind of notes during the presentation will be disqualified.
8. Presentation equipment, such as laptop, LCD projector, and pointers, are provided by the committee.
9. Participants are required to present in English. Participants who doesn't present in english get a score reduction of 10%
10. Assessment of presentation is based on the following aspects:
  - a. The ability to deliver the work's content
  - b. The ability to argue and answer questions
  - c. Understanding of the work's content
11. Participants are required to maintain manners and orders during The 14<sup>th</sup> Statistika Ria.
12. Participants **MUST** follow the entire series of events of The 14<sup>th</sup> Statistika Ria.
